

GABRIOLA AUXILIARY for Island Health Care Society

To support community health education, healthcare and patient comfort services

September 2022

Edition 4, Volume 1

Presidents Message from Simone Halpin

As fall settles in, there are two important events for everyone to consider. The first event is our deadline for grant submissions. Any non-profit that provides services related to the health of the community can apply for a financial grant. The deadline is September 23 and grant applications can be found on our website at gabriola-auxiliary.org

I also want to take this opportunity to thank the businesses who generously donated services to our BIG DRAW. This raffle is now on, and ticket sales will end October 15th. Tickets can be purchased at The Gabe Shop, so come in and put your tickets in the jar of the service or services you hope to win!

[Congratulations to Emma, our Scholarship -Recipient.](#)

The recipient of the GAIHCS 2022 Scholarship, in the amount of \$1,000.00 is NDSS graduate Emma Sadler-Reid. Emma will be going to U. Vic. To study Biology, with a minor in Neurology, and then on to her MD.

Emma has lived on Gabriola all her life. She went to school on the island then travelled off island for French immersion. Emma has been very active in both her own home community and school including being a TA tutoring Chemistry 12. She was also the captain of the senior women's rugby team. This summer she worked at Page's Resort
